## 1005 Magnapull™ contact

mini Magnapull magnetic pull-apart cord

The 1005 Magnapull contact is pecifically designed to protect valuable free-standing items, such as office equipment, video systems, art objects, and gun cabinets. Positive magnetic retention limits false alarms.

End users simply insert the cable into the contact housing; there is nothing to line up. An alarm condition is created with the cord when the magnet is pulled from the housing.
